THE ROAD NOT TAKEN

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

MR. GEORGE FERNANDEZ
Principal

Mr. Fernandez lends a hand.

This yearbook is a resume of what has happened during the 1964-1965 school year. I know all students will be setting new goals for next year and I hope you plan realistic goals. We all inherit innate ability to learn, but what we learn, how much we learn, and how well we learn is entirely up to each of us. Every man is given a mind to think, to learn, to choose and to get full benefits of the experience of others. Individual knowledge, however, is not a part of this heritage. It is something that every man must acquire for himself. It is not I. Q., it is **I will.**

May this yearbook be a reminder of the goals you have achieved and the friends you have acquired. I challenge all of you to explore and keep keenly aware of your responsibilities to yourselves, your school, your family, your community and your nation.

George Fernandez
Principal

Now, here's where the gold mine is!

MRS. HELENE MADSON

Fremont Union High School District Board 1964-1965

In the past years I have noted the academic and educational advances, of our students which have been outstanding, but as we close the 1964-65 school year I think a word about moral and spiritual values should be said. I have been impressed this year with the fine sportsmanship of our teams and the conduct of our student bodies at games; but even more noteworthy has been the attitude of students toward education, their teachers, and the good environment of family life which most of them reflect. At a time when public moral standards have been criticized, our district's students have demonstrated a wholesome attitude of mind that is praiseworthy.

CLASSES

Senior Jubilee

March 5th marked the day of the Senior Jubilee, presented by the Class of 1965. This year it included a spaghetti dinner, two talent shows, the Faculty-Senior basketball game and also a dance.

Above: The indescribable Torney twins.

Highlighting the Senior Jubilee was Bobbi Bishop's monologue "Passionella."

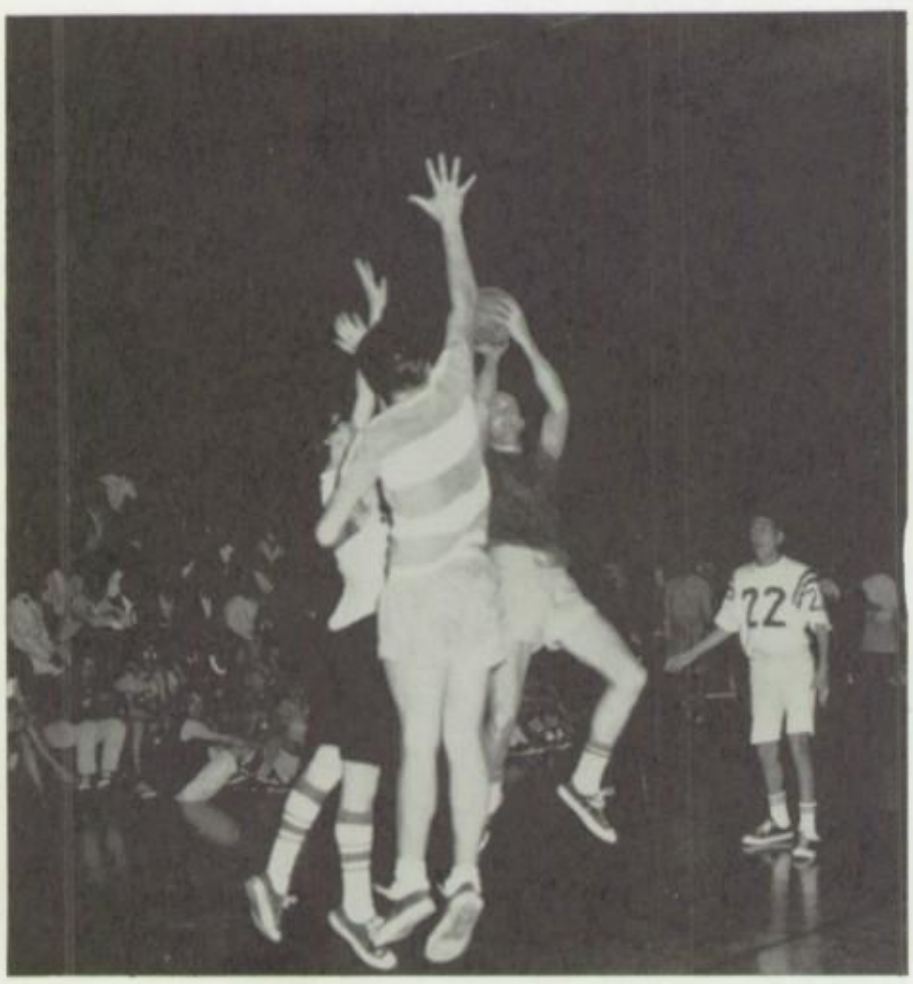
Left: Dana Jolly on the bag pipes.

The Squires, Mike McLemore, Terry Hanforth, Lee Squires, and Mike Sedlak.

Folksinger George Powell

Mr. Regan races for the basket as B. Jaramillo attempts to block his shot. Right behind him are R. Petterson and L. Reese.

Mr. Patterson eyes the basket. Senior players L. Musgrave, M. Sedlak, and M. Saenz, however, have other ideas.



Faculty team captain, Mr. Relph, is presented with the traditional trophy by Key Club Sweetheart, Cathy Romadka.

Mr. Regan tries again!!

John Randolph Horner

Our All-American boy as Jr. Homecoming Princess.

American Field Service

"It's an experience that comes once in a lifetime," exclaimed Randy. John Randolph Horner, fall president of the Junior class, was chosen as a foreign exchange student to South Africa for one year. He is residing in Capetown with a Dutch family and is attending a small school of 679 students. He will learn the Africaan language, which is a mixture of French, Dutch, and African. When asked what he would tell South African students about Americans, he candidly replied, "I'm going to learn, not to teach."

Toni Lovaglia and Bob Pirani were A.F.S. summer finalists.

Randy talks with Eileen Schmidt, A.F.S. student who lived with a Danish family last summer.

C.S.F.

Students who earn a minimum of ten semester grade points are eligible for membership in the California Scholarship Federation. "A"s are worth three points, "B"s one, and other grades are not counted.

Semester members of C.S.F. are eligible to wear the C.S.F. torch pin while they remain in the club. There are approximately 150 Cupertino High students who wear the C.S.F. torch. Students who are members for at least four semesters of their last three high school years are eligible for life membership in C.S.F. They are awarded the C.S.F. lamp pin and life certificate, and their diplomas and transcripts are embossed with the C.S.F. seal.

C.S.F. sells concessions at football games to gain money for scholarships. Last year they awarded two $100 scholarships to life members. February 17 C.S.F. held the annual banquet honoring new life members, installing new officers, and initiating new Freshmen members.

C.S.F. is not a service club; it is an honorary organization made of persons who are encouraged to live by the motto, "scholarship for service."

Instead of the usual fanfare, the marching band played arrangements of individual songs to honor the lovely class princesses. A dance was held in the gym after the ceremony at Diesner Field. It was a night for all to remember.

George Washington Slept Here

November 19 and 20, 1964

The George Kaufman-Moss Hart play "George Washington Slept Here" was presented by the Cupertino High Drama Department. The first production of the year was directed by Mr. Dennis Friend. He was assisted by student director Maline Ness.

Cast — Tom Seider, Ron Mason, Cathy Riley, Maline Ness, Phil Silver, Marilyn Moss, Merlinda Skow, Tom Pearson, Mike Sholer, Rick Horner, Steve Zucchi, Anne Schneider, Dorothy Coffee, and Nancy Rose.

Hamlet

Shakespeare's classic tragedy, **Hamlet,** was presented April 30th, May 1st, 7th and 8th. Because of the Nugget's advance deadline, only pictures of the planning stages could be taken. But even as early as March, **Hamlet** promised to be another triumph for Mr. Dennis Friend and his drama students.

Guys and Dolls

"Guys and Dolls," Cupertino High's first musical production, was presented March 25th, 26th, and 27th to capacity audiences in the school auditorium. This Broadway smash hit was directed by Mr. Bargman and Mr. Simas. Mrs. Coleman's scenery, Miss McEuen's choreography, and the efforts of many other behind-the-scene workers helped to make it a big success. The cast, which numbered about 140, worked for about two months to perfect their roles.

Adelaide (Nancy Olson) pleads with Nathan (Bob Pirani).

Sky (Jim Warlin) talks to Sara I (Pam McKee) while Sara II (Kris Erickson) waits in the wings.

When you see a guy reach for stars in the sky—
You can bet that he's doin' it for some doll—
When you spot a John waiting out in the rain—
Chances are he's insane as only a John can be
for a Jane—
When you meet a gent paying all kinds of rent—
For a flat that could flatten the Taj Mahal—
Call it sad, call it funny, but it's better than even
money—
That the guy's only doin' it for some doll—

Cupertino High's Service Organizations

Cupertino High service clubs include All-American Girls, Altruettes, CHSS, Interact, and Key Club. All of these clubs serve at school functions, and many of them serve the community as well.

Every year, Key Club holds a Christmas drive to collect canned goods for needy families in the area. Interact held a Christmas hootenanny, and the proceeds went to help the needy people of this area. The newly organized All-American Girls collected toys during the Christmas season, and Altruettes sold "fuzzies" to accumulate money for scholarships. CHSS serves at many school functions, including serving at dinners and making the arbors for graduation.

Many clubs remain active in the community throughout the summer. In order to be a member of one of these service clubs, students must meet certain qualifications, and then current members vote on the applicants. New members are usually taken twice a year.

National Forensic League

The National Forensic League is an organization of students interested in public speaking. Speech students receive points for participating and winning honors in contests. After 25 points have been earned, the student may apply for membership in NFL; the local chapter then votes on the prospective members. Memberships and advanced degrees give students a constant incentive to improve speaking abilities.

Varsity Basketball

The Pioneers opened the season with 9 non-league wins and a close loss to Fremont in the Sunnyvale Tournament. In the season's opener, the Homestead team rolled over Cupertino 43-34. Seven days more and the Pioneers were 0-2, victims of Los Altos. Then, the seemingly "down and out" Pioneer squad hit Mt. View with blood in their eyes and victored by 13 points. Then Sunnyvale waltzed onto the floor and tripped, as Cupertino ran off a 7 point lead. Retaining their balance, Sunnyvale brought the score even, and the battle went down to the wire. Final score: Sunnyvale 43, Cupertino 41. With regained confidence, Cupertino downed Santa Clara 50-43. In the next two weeks, Awalt and Buchser fell to the Pioneers, and Fremont loomed one week away. This contest turned out to be much like Sunnyvale, and weary from a two point loss to the Indians, the Pioneers were downed by Wilcox in their finale, grabbing 5th spot in the league.

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by,
And that has made all the difference.
